#16 Week of LABOR DAY September 3 2014

On the Home Stretch

We are heading towards the end of this year and it is coming rapidly. We have just three more events left for you to take charge and try to get that “JUG.” I know from emails that Wayne Curto does not want to give this up. Maybe he has used a bit of the whiskey in it.

This week 23 of us joined in at Devils Ridge to try our hand at this “up and down course.” Some of our members from the scores posted did well and did cash in on greenies, skins, and low net. These finishing rounds have a larger amount of points towards the cup, so be aware of where you are standing and the points out there.

To refresh our aging memory, 1st place net 100 points, 2nd place net 75 points, 3rd place net 50 points and all other 25 points. These are the three Jug point events left on our calendar:

September 10th at Westwynd

October 1st at Greystone

- October 8th which is our finale: Jug points are awarded to the lowest net score for the final 9 holes of this tournament since those nine are played as an individual bases. Points are 200 for low net of the 9---150 for 2nd 100 third and all others 50 points

In between we have September 17th Yellow Ball---you must let Rod know that you are playing by Sept 10th. These are all foursomes and we need to keep it at 24/28/32/36 players.....

You will be getting EMAILS all the way to the finish line from here on out..... The results from the outing are as followed:
